Step 1

Cut 2--12" x 19" rectangles of fabric
round the bottom corners

Step 2

Put the 2 pieces together right sides facing
Sew side and bottom 1/4 in from edge

attach
ribbon
here

Step 3

Fold over the top of bag about
1/2 inch and make a seam
around the whole top of the
bag.

Turn bag right side out.

Cut a piece of ribbon 24 inches
long. Attach the ribbon 4 inches
from the top along one of the
seams (see left).

•Helpful hints: backstitch at ribbon to
reinforce it! Also, use very thin fabric
so it does not weigh too much!

Your bag is finished, go
buy some produce! Enjoy!
